ABOUT US

Sydney Stone Masons Group (SSM Group) has been established to provide our clients with the very best cost-effective solutions specialising in all building and construction services. Our core business focus is Heritage Building, Remedial Construction & Stonemasonry Works.

SSM Group is a multifaceted Building & Construction Business which specialise in all aspects of building, construction, construction management, heritage restoration, stonemasonry, remedial works, roofing and infrastructure. SSM Group manage the whole life of the project from the design phase through to the construction, completion and handover. Client relationships is of the utmost importance to SSM Group & our management team look at the bigger picture of our client's needs when delivering a project.

SSM Group are an award-winning organisation with years of combined experience in all aspects of Building & Construction. We pride ourselves in being a one stop service provider for our clients.

Sydney Stone Masons are among the premier stonemasonry companies in the city working on several prestige and high-profile heritage, commercial and residential projects. As a result of decades of attention to detail, meticulous craftsmanship, and commitment to sustainability, we have become one of the leading Heritage Builders in the country. Our heritage workmanship is set to the highest industry standards making clients return for succeeding projects.

SSM Group have successfully delivered Projects on landmark Building such as the ANZAC Memorial in Hyde Park, NSW Parliament House, White Bay Power Station, The Sydney Museum of Contemporary Art, Royal Botanical Gardens, Australian Museum, Historical Courthouses, The Convict Precinct at Cockatoo Island, Heritage listed Churches & various Historic Houses.

SSM Group have a strong reputation for truth, integrity, respect, and high-quality work. We believe that effective communication among all stakeholders is key to excellent Project delivery.

SSM Group's Safety, Environmental & Quality Assurance Management Systems are third party Accredited to ISO Certification.
